Carers

Hub

Gloucestershire Carers Hub gives free support to all carers over the age of 18 who help someone who has a disability or illness.

A carer can help with things like transport, shopping, cooking, cleaning, getting washed and dressed and staying well.

Carers do not have to live with the person they care for.

Carers do not have to be there all the time.

Gloucestershire Carers Hub can help with lots of things: Help carers take care of themselves.

Help carers make plans for emergencies.

Give information and advice to carers.

Tell carers about other things that can help them.

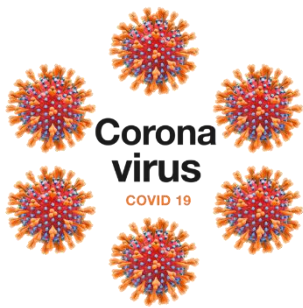

Help with things to do with money.

Give advice and support about getting a job.

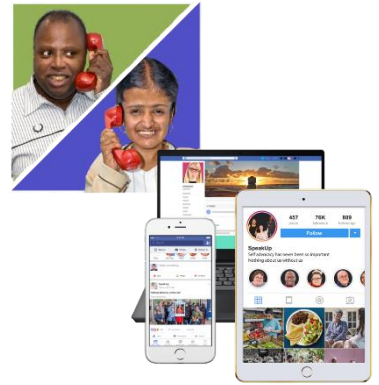

Tell carers about groups they might be interested in.

Gloucestershire Carers Hub is funded by Gloucestershire County Council and NHS Gloucestershire Clinical Commissioning Group.

Because of Covid-19 (Coronavirus)
we are helping carers on the phone and online.
