

You have an illness called Coronavirus.

It can give you a cough, make you feel very hot and make it hard to breathe.

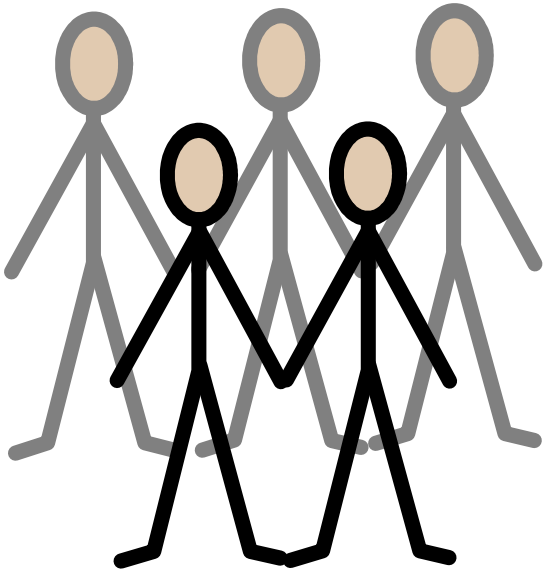

The illness can be spread from one person to another.

To stop other people catching the illness, staff will wear special clothes.

This will include a hood or face mask, gloves and aprons.

This will make sure everyone stays healthy.

Staff are still here to keep you safe and look after you.

You do not need to worry.
